Linen LOUNGE

Our French Linen range has been incredibly popular with couples who want to achieve a classic, elegant look - you can style these pieces down or really go all out - it's the perfect blank canvas for your imagination

Leather

LOUNGE

Leather seating always makes a statement - timeless, stylish and full of character our leather collection can be mixed in with other styles or simply used on its own for that old-English manor house vibe

Vintage LOUNGE

Vintage pieces bring colour and texture – from playful dainty Victorian designs to more solid mid-century pieces the Vintage collection has so much to offer

Modern

LOUNGE

Modern, bold and oozing with colour -
Modern velvets are jazzy, fresh and
work for a whole range of settings for
couples wanting to make their seating
area a little less ordinary

Lounge TABLES

Whatever your vision, we have a selection of coffee tables perfect with any of our lounge pieces and so easy to mix & match your way

Rugs

Set the scene with our floor rugs - perfect for outdoor lounge areas and to help bring a little bit more attention to your seating space

MOBILE Bars

We are delighted to be launching a whole new range of mobile bars - from classics to contemporary with a twist. Designed and handmade in our woodworking studio these have been created to be both good looking and functional. With built-in gastronomes for various types of ice and garnishes, bartender speed rails and built in fridge-height storage space these really are a welcomed addition to our hire collection.
